Skills Assessment Summary

This shows how task performance combines into overall skill mastery across three tiers.

TIER 1: Critical Skills (55 points) — 13/55 (24%)

MyFuseIn

Qualification. Candidate needs focused coaching before client-facing responsibilities.

ICP & Prospecting Quality 10/18 (56%)

What it tests: ICP definition, lead research quality, trigger signal detection, decision-maker identification
Tested in: Task 1 (9pts) + Task 3 (1pts)
Assessment: The ICP is specific in terms of company size, industry, and growth stage, but lacks detailed explanation of unique pain points and buying triggers specific to workforce analytics.

Outreach & Messaging 3/20 (15%)

What it tests: Personalization depth, value clarity, timing relevance, CTA quality, follow-up effectiveness
Tested in: Task 2 (3pts)
Assessment: The message lacks specific personalization related to the prospect's company or recent events. It appears generic and could be sent to any company within the target market.

Discovery & Qualification 0/17 (0%)

What it tests: Question quality, pain point discovery, objection handling, conversation control, qualification judgment
Tested in: Not evaluated
Assessment: Needs improvement

TIER 2: Important Skills (30 points) — 10/30 (33%)

BELOW THRESHOLD ON 2 SKILLS

Skills below 60%: CRM & Pipeline Discipline, Sales Communication. Review areas below.

CRM & Pipeline Discipline 4/15 (27%)

What it tests: Data completeness, CRM hygiene, response realism, pipeline tracking
Tested in: Task 3 (4pts)
Assessment: Data is mostly clean but there are some inconsistencies in formatting and temperature labels.

Sales Communication 6/15 (40%)

MyFuseIn

Assessment: The document is well-structured with clear sections for ICP, lead list, and prioritization.

TIER 3: Bonus Skills (15 points) — 2/15 (13%)

BELOW THRESHOLD ON 2 SKILLS

Skills below 60%: Strategic Thinking, Initiative & Extras. Review areas below.

Strategic Thinking 2/6 (33%)

What it tests: Lead prioritization logic, qualification framework, competitive awareness
Tested in: Task 1 (2pts)
Assessment: Top 3 leads are justified with reasoning based on growth signals and decision-maker accessibility, but lacks multi-factor analysis.

Initiative & Extras 0/9 (0%)

What it tests: A/B variants, multi-channel thinking, stakeholder mapping, value quantification
Tested in: Task 2 (0pts)
Assessment: The candidate did not provide an alternative version of the message or discuss different angles for outreach.

Complete Task-by-Task Performance (All 3 Tasks)

Task 1: ICP Research & Lead Prospecting 17/27

Objective: Define ICP, build qualified lead list of 8-10 companies, provide research reasoning and trigger signals, rank and justify top 3.
