Skills Assessment Summary

This shows how task performance combines into overall skill mastery across three tiers.

MyFuseIn

BELOW THRESHOLD ON 2 SKILLS

Skills below 60%: Outreach Strategy & Messaging, Discovery & Deal Qualification. Candidate needs focused coaching before client-facing responsibilities.

ICP Refinement & Account Selection — 15/18 (83%)

What it tests: ICP refinement depth, multi-stakeholder account targeting, research signal quality, buying persona mapping
Tested in: Task 1 (15pts)
Assessment: The candidate narrows the ICP by focusing on tech companies with specific characteristics but lacks detailed exclusion criteria.

Outreach Strategy & Messaging — 6/17 (35%)

What it tests: Multi-threaded outreach strategy, role-aware messaging, objection pre-handling, CTA reasoning
Tested in: Task 2 (6pts)
Assessment: The strategy is generic and lacks persona-specific reasoning. It follows a standard multi-channel approach without explaining why email is prioritized for the CEO and LinkedIn for the HR Head.

Discovery & Deal Qualification — 0/20 (0%)

What it tests: Business acumen in discovery, competitive objection handling, internal-build objection, procurement handling, conversation control, qualification judgment
Tested in: Not evaluated
Assessment: Needs improvement

TIER 2: Important Skills (28 points) — 17/28 (61%)

PASSED ALL THRESHOLDS

All important skills above 60% minimum.

Pipeline Judgment & Ownership — 8/13 (62%)

What it tests: Pipeline status accuracy, account deep-dive quality, risk flag identification, pipeline insights and patterns
Tested in: Task 3 (8pts)
Assessment: Several statuses do not align with the given scenarios, particularly Account B which should be disqualified.

Sales Communication — 9/15 (60%)

MyFuseIn

Assessment: The document is well-structured, clear, and easy to scan.

TIER 3: Bonus Skills (17 points) — 3/17 (18%)

BELOW THRESHOLD ON 2 SKILLS

Skills below 60%: Strategic Thinking, Initiative & Deal Advancement. Review areas below.

Strategic Thinking 2/7 (29%)

What it tests: Account prioritization logic, bottom-account reasoning, pipeline pattern analysis, competitive awareness
Tested in: Task 1 (2pts)
Assessment: The top 3 accounts are justified but lack multi-factor reasoning and trade-off analysis.

Initiative & Deal Advancement 1/10 (10%)

What it tests: Multi-channel sequencing, cross-thread coordination, deal advancement tactics, stakeholder mapping, urgency creation
Tested in: Task 2 (2pts)
Assessment: The follow-up plan mentions timing but lacks a specific cadence or escalation logic. It does not provide a detailed sequence of actions.

Complete Task-by-Task Performance (All 4 Tasks)

Task 1: ICP Refinement & Account Targeting 22/27

Objective: Refine the ICP (narrower than the brief), identify 6-8 high-impact accounts with primary and secondary stakeholders, prioritize with top-3 and bottom-2 reasoning.
