Skills Assessment Summary

This shows how task performance combines into overall skill mastery across three tiers.

MyFuseIn

BELOW THRESHOLD ON 1 SKILL

Skills below 60%: Discovery & Deal Qualification. Candidate needs focused coaching before client-facing responsibilities.

ICP Refinement & Account Selection — 18/18 (100%)

What it tests: ICP refinement depth, multi-stakeholder account targeting, research signal quality, buying persona mapping
Tested in: Task 1 (18pts)
Assessment: The candidate effectively narrowed the ICP to 200-500 employees and provided clear exclusions with strong reasoning.

Outreach Strategy & Messaging — 11/17 (65%)

What it tests: Multi-threaded outreach strategy, role-aware messaging, objection pre-handling, CTA reasoning
Tested in: Task 2 (11pts)
Assessment: The candidate provided a well-reasoned channel sequencing strategy that is persona-specific and addresses the multi-thread coordination problem effectively.

Discovery & Deal Qualification — 0/20 (0%)

What it tests: Business acumen in discovery, competitive objection handling, internal-build objection, procurement handling, conversation control, qualification judgment
Tested in: Not evaluated
Assessment: Needs improvement

TIER 2: Important Skills (28 points) — 21/28 (75%)

BELOW THRESHOLD ON 1 SKILL

Skills below 60%: Sales Communication. Review areas below.

Pipeline Judgment & Ownership — 13/13 (100%)

What it tests: Pipeline status accuracy, account deep-dive quality, risk flag identification, pipeline insights and patterns
Tested in: Task 3 (14pts)
Assessment: Account A: Actively Engaged due to positive reply from CEO. Account B: Disqualified due to a 2-year contract with Toggl Track. Account D: Warm-Nurture due to interest but internal build scenario. Account E: Cold-Deprioritize due to no response after two touchpoints. Account F: Warm-Nurture due to secondary engagement while primary is on leave. All account statuses are logically correct given the scenarios. Account B is correctly

MyFuseIn

Sales Communication 8/15 (53%)

What it tests: Written clarity, professional tone, conciseness, persuasive framing across all written deliverables
Tested in: Task 1 (5pts) + Task 2 (2pts)
Assessment: The document is well-structured, allowing for quick review by a VP of Sales.

TIER 3: Bonus Skills (17 points) — 8/17 (47%)

BELOW THRESHOLD ON 1 SKILL

Skills below 60%: Initiative & Deal Advancement. Review areas below.

Strategic Thinking 5/7 (71%)

What it tests: Account prioritization logic, bottom-account reasoning, pipeline pattern analysis, competitive awareness
Tested in: Task 1 (4pts) + Task 3 (1pts)
Assessment: The top 3 accounts were prioritized with multi-factor reasoning, considering timing, fit, and deal size.

Initiative & Deal Advancement 3/10 (30%)

What it tests: Multi-channel sequencing, cross-thread coordination, deal advancement tactics, stakeholder mapping, urgency creation
Tested in: Task 2 (5pts)
Assessment: The candidate provides a specific cadence with timing and escalation logic, showing a clear plan for follow-up.

Complete Task-by-Task Performance (All 3 Tasks)

Task 1: ICP Refinement & Account Targeting 27/27

Objective: Refine the ICP (narrower than the brief), identify 6-8 high-impact accounts with primary and secondary stakeholders, prioritize with top-3 and bottom-2 reasoning.
